## DEPARTMENT OF TRANSPORTATION

### Office of the Secretary

#### 14 CFR Part 382

[Docket OST-96-1880]

RIN 2105-AC28

#### Nondiscrimination on the Basis of Disability in Air Travel

**AGENCY:** Department of Transportation (DOT), Office of the Secretary.

**ACTION:** Final rule; correction.

**SUMMARY:** On March 4, 1998, the Department of Transportation published final rules amending its regulations implementing Air Carrier Access. This document corrects a minor editorial error in that document. The correction does not change the substance of the regulatory provision involved.

**EFFECTIVE DATE:** January 5, 2000.

**FOR FURTHER INFORMATION CONTACT:** Robert C. Ashby, Deputy Assistant General Counsel for Regulation and Enforcement, Department of Transportation, 400 7th Street, SW., Room 10424, Washington, DC, 20590. (202) 366-9306 (voice); (202) 755-7687 (TDD); 202-366-9313 (fax); bob.ashby@ost.dot.gov (e-mail).  
**SUPPLEMENTARY INFORMATION:** The Department is making an editorial

correction to its March 4, 1998, final rule amending 14 CFR part 382, which implements the Air Carrier Access Act. The final rule provision in question involved a clarification to the general prohibition on discrimination. Codified as 49 CFR 382.7(c), it provides as follows:

Carriers shall, in addition to meeting the other requirements of this part, modify policies, practices, or facilities as needed to ensure nondiscrimination, consistent with the standards of section 504 of the Rehabilitation Act, as amended. Carriers are not required to make modifications that would constitute an undue burden or would fundamentally alter their program.

One disability group pointed out that the word "or" in the second line of the paragraph should more properly be "and". While we do not believe that, in this context, changing "or" to "and" has any substantive significance in terms of the actual obligations of carriers, we will make the change in order to avoid any possible confusion about the provision. Consequently, we are amending this paragraph to substitute "and" for "or".

The Department finds that there is good cause to issue this correction without a prior notice and opportunity for comment. The underlying substantive provision was previously the subject of notice-and-comment rulemaking. The Department would not anticipate receiving any useful public comment on this editorial correction. Therefore, the Department finds that it would be impracticable, unnecessary, and contrary to the public interest to go through a notice-and-comment process to fix a minor editorial mistake. For the same reason, we find good cause to make this correction effective immediately.

This is a nonsignificant rule under both Executive Order 12886 and the Department's regulatory policies and procedures. The Department certifies, under the Regulatory Flexibility Act, that the rule will not have a significant economic effect on a substantial number of small entities. This is because we anticipate that this amendment will have no economic effects (nor, for that matter, any other kinds of effects) on anyone. It does not have Federalism impacts sufficient to warrant the preparation of a Federalism impact statement. It does not impose information collection requirements.

#### List of Subjects in 49 CFR Part 382

Issued this 23rd day of December, 1999, at Washington, DC.

## DEPARTMENT OF STATE

### Broadcasting Board of Governors

#### 22 CFR Parts 22 and 514

[Public Notice 3190]

#### Exchange Visitor Program: Redesignation of Regulations and Delay of Effective Date

**AGENCY:** Broadcasting Board of Governors and Bureau of Educational and Cultural Affairs, Department of State.

**ACTION:** Interim final rule.

**SUMMARY:** Pursuant to the consolidation of the United States Information Agency ("USIA") and the Department of State as mandated by the Foreign Affairs Agencies Consolidation Act of 1998, public regulations of the former USIA were either repealed, revised and amended to apply only to the Department of State, or amended to apply only to the Broadcasting Board of Governors ("BBG"). Through administrative error, one provision of the former USIA regulations, 22 CFR 514.90(a) was inadvertently retained by the BBG instead of being removed, as intended. This rule cures this error by removing 22 CFR 514.90(a).

The Department of State is also delaying indefinitely the effective date of the interim final rule that was published in the **Federal Register** by the United States Information Agency on September 27, 1999, at 64 FR 51894-51896. The rule would institute user fees for the services of the Program
